

Commemorative Landing

France: Commemorating the tenth anniversary of the Allied Landings on the Riviera Coast, representatives of the twenty units who took part ~~in the~~ ~~land~~ for a symbolic ceremony. And Lady Churchill was one of the guests of honour.

Then a parade of six thousand ~~troops~~ <sup>TROOPS -</sup> watched by General Gruenther - who ~~commands~~ commands the Allied Forces in Europe to-day.

Council of Churches

<sup>Second</sup> America - the General Assembly of the World Council of Churches opened in the First Methodist Church at Evanston, Illinois. Later, at Chicago's "Soldier's Field", the heads of the Council assembled for a great Festival of Faith. - ~~the~~ ~~seventeen-day~~ ~~Assembly~~ ~~bring~~ <sup>brought</sup> together over 160 Churchmen from forty-eight countries.

The new plane

<sup>712</sup> ~~Aerial~~ news from the United States - a new four-seater single-engined plane - known as the Helio-Courier... Designed with special wing-flaps that give it amazing manoeuvrability - it has a top speed of 157 miles an hour... ~~Handling it like a...~~

Compared with road traffic - it can practically stand still - and ~~land~~ <sup>the</sup> land on ~~a~~ proverbial sixpence.

Canoe Racing

Austria: On the river Salza - experts compete in the Kayak Slalom championships... That's the art of manoeuvring a fragile canoe through rough waters without getting a ducking...

And if you think that it's as easy as floating over the rapids - well - just you try it!

Anyway - there's ~~one~~ one consolation about canoe racing - when you're sick of the water - you can always look at the fish!
