

America-- Hurricane Devastation-

Sept 7th. '54.

America-- Enormous waves pound the coastline, as the season's third hurricane from the Caribbean, strikes with unprecedented ~~force~~ **force**

~~thinking with thinking with the 100 mph blast and~~
~~blowing rain drive up inland to inundate vast areas of the~~
~~best of the season are~~

EVERYTHING SUCRUMBS ~~to~~ **TO THE 100 mph blast**
~~to~~ succumb to the ~~force~~ of the tempest, which, increasing in ~~force~~ **force**,
leaves a path of **DEVASTATION** in its wake.

53 lives were lost in this latest freak of Nature- with damage to property amounting to five hundred million dollars.
