Canadian Pacific Exhibition

British Columbia: A mammoth street parade, in Vancouver, heralds the opening of the Pacific National Exhibition. Canada's great West Coast Fair. Through crowded streets, the 4½ mile procession makes its way to the Exhibition Grounds for the Opening Ceremony....

6 Then, the formalities over, thousands of merry-makers sample the giddy round of amusements. *any giddy's the word 11/2*

When darkness falls, the showground becomes a glittering arena - as visitors from many miles around, celebrate a great day in Vancouver. *6/7*

Helicopter Training

Somerset: Among pupils undergoing instruction at the Helicopter Training School, at Yeovil, is Air Vice-Marshal McEvoy - the Senior R.A.F. Instructor at the Imperial Defence College.

The first Air Vice-Marshal to train as a helicopter pilot, he is taking the course during periods of leave. *14/14*

The School (the only one of its kind in Britain) is run by the Westland Aircraft Company. Anyone can take the course; it takes about six to ten weeks to qualify for a pilot's licence. *8/9*

Ontario Swim

America: Champion Channel swimmer Florence Chadwick was one of three women competitors who set out to swim icy Lake Ontario, from Youngstown, ~~NY~~ *York State* to Toronto, Canada.

The race brought fame to sixteen year-old Marilyn Bell of Toronto, who ~~settled~~ *Balkus* on, for hour after hour, after her rivals had retired, ~~to become~~ *she became* the first swimmer to conquer the thirty-two mile crossing.

A fantastic home-town welcome awaited the shy schoolgirl - besides over *f* \$3,500 in prize-money.

By her twenty-one hour swim - Marilyn Bell has struck a new note in courage and endurance. *31/3*
