which can also be used to adorn a dress - saving you the expense of a double present and long hours of waiting in the cold, this winter...

And here's one of the biggest pearls in the world - keeping abreast and of the time.

Japan repatriates

Japan: Arriving at Maizuru, on board the Koan Maru, are 566 Japanese'
prisoners-of-war from China... Held since the end of the war as slave
bourers, the repatriates were long since given up as dead by their
relatives and friends. But now - the bitter years between are forgotten in the sweet moments of happy reunions...

American airborne maneeuvres

America: Airborne manoeuvres at the Sewart air Force Base, in Tennessee, designed to discover the best way to keeping front-line troops supplied with vital equipment...

erom huge transports - supplies of all kinds are trappy dropped by arachute - over the battle areas... And These supply columns of the air deliver the goods - with plenty of time to spare.
