

Queen Mother

Washington: Arriving in the Presidential plane, fresh from her triumphs in New York, Queen Elizabeth the Queen Mother was warmly greeted by Secretary-of-State Mr Dulles.

And in reply, the Queen Mother said ~~/~~ SOUND

During her stay in Washington, the Queen Mother was the guest of President and Mrs Eisenhower at the White House. The first visit of Her Majesty to the Capital for fifteen years.

Christening

Kent: In the charge of their Grandparents Sir Winston and Lady Churchill, Nicholas and Jeremy Soames arrived at Westerham Parish Church for the christening of their baby sister, Charlotte Clementine.

And the baby was carried by her Mother - Mrs Christopher Soames - the youngest daughter of the Premier.

The baby's father is the Parliamentary Private Secretary to Sir Winston - while Mrs Duncan Sandys - ~~the baby's Godmother~~ ^{one of the Godmothers -} is the wife of the new ~~Prime~~ Minister of Housing....

So with a Parliamentary background like this - Charlotte Clementine ~~ixx~~ seems almost destined for a career on the Front Bench..

Guy Fawkes on South Bank

London: ~~Tx~~ "Treason and Plot" was the theme of the Designers' Ball at the Royal Festival Hall, and once again, Guy Fawkes is about to pay the price for his treachery.

The bonfire was the centre-piece of ~~the~~ celebrations on South Bank - when the Society of Industrial Artists ^{held} staged their annual get-together.

It's all but 350 years now - since Guy Fawkes tried to open Parliament - with a bang - and so left us the annual legacy of the colourful firework ~~display~~ ^{SEASON} and ~~that~~ ^{maybe, our} first cold of the Winter.
