Rotherham V Leicester (2194) 10th January 55

The "music" of the Cup echoes across Millmoor as home supporters hopefully churn out the "overture to victory" or perhaps, the "invitation to Round Four!"

But soon, the music is drowned by cheers as Rotherham come out - ready for the fray.

Generous applause, too, for First Division Leicester City making their first Cup visit to Millmoor.

All eyes on the centre circle as home skipper Guest spins the coin...

And Froggatt calls correctly for Leicester. The Referee is one-armed Alf Bond of Fulham.

All set to go. Burke sets the ball rolling. Rotherham playing in striped stockings.

And here's an early thrill. Graver bursts through the middle. (Here's his chance to pay off some of that recent big transfer fee). But his shot goes wide.

A throw-in by Marshall. Leicester gain possession - and away they go.

A dangerous moment for Rotherham; but relief for their fans as Quairney comes out - with the ball.

The second half - Rotherham attacking now - hammering that First Division defence. And still it's Rotherham. Grainger across to Bell - and the deputy-winger bangs it in the far corner.

Rotherham one-up. A great day for the fans who've followed the team through the lean years. Already they're thinking of the Cup and promotion. But Leicester are far from beaten. A free kick by Hogg. Heads up! And it's safe!

After a period of hectic Leicester attack - the Yorkshiremen set about consolidating their hard-won lead; but Anderson touches the heights in goal.

~~The final moments saw the Millmoor crowd rise and cheer their team forward to the exit of Leicester City round four.~~

And Rotherham are still attacking at the final whistle. Rotherham One - Leicester nil. The Millmoor crowd rise to their heroes and are ready for the visit of Luton - in Round Four.
