

Torquay V Huddersfield

2200

At Plainmoor - a record Torquay crowd watched Huddersfield (in striped jerseys) kick off in this Fourth Round battle.

And the first cup meeting between the Clubs brought early thrills - and a goal chance for Don Mills. But Wheeler saved.

The First Division ~~visitors~~ visitors took some time to settle down; but though their approach-work was good - determined covering by the home defenders limited scoring chances.

A Torquay attack. And again - the chance is lost by weak finishing. Huddersfield now - a determined left-wing thrust. Yes, it's Metcalf.

A fine centre - it's a header - and it's well wide *down*.

Half-time - and no score told the football world that gallant Torquay were holding their famous rivals. Even if Metcalf - (a quicksilver winger) did some-times get away.

And Metcalf it was who brought about their downfall. A pass across goal - and Glazzard pushed it home.

Gallantly, the "Men of Devon" fought back - spurred on ^{by} that record crowd. And only by a single goal did Huddersfield keep on that golden road to Wembley.
