

Priest from Russia

America: Arriving by plane in New York is Father George Bissonette, the thirty-two year old Priest, who ~~was~~ recently expelled from Russia.

Met ~~at the airport~~ by his parents, the young cleric, <sup>could not explain</sup> could give ~~not~~ no ~~reason~~ <sup>why he was expelled - had been expelled - could give no reason</sup> explanation for his ~~expulsion~~, although recently, the United States <sup>for his expulsion</sup> refused a visa to <sup>an Archbishop of the</sup> Russian Orthodox Archbishop. <sup>could give no reason for the action of the Russian Orthodox Church!</sup>

San Francisco solves the parking problem as Mayor Robinson cuts across the restrictions that keep a motorist moving when he wants to stop.

The problem was solved by a touch of genius and four million dollars - that's what it cost to build this <sup>(200 car</sup> garage. Now, instead of ~~the motorist~~ driving in.... <sup>the motorist</sup> ~~he~~ drives up... ~~around a spiral ramp from floor to floor -~~ <sup>room</sup> until he finds space to park. There's ~~space~~ <sup>room</sup> for twelve hundred cars.
