Well Done - York!

14th March 1955

YES. YORK CITY have reached the F.A. Cup semi-final for the first time.

Their Skipper IS ERNIE PHILLIPS, whose previous clubs include Hull and Manchester City.

A happy team, York have four part-timers. On Saturdays, centre-forward Norman Wilkinson bangs in the goals. Week-days, he bangs in rivets at a boot-repairing factory.

A grand Club trio • Centre-half ALAN Stewart, formerly of Huddersfield, outside-left Bill Fenton, (who came from Blackburn) and York discovery, Ron Spence, the left-half.

Bill Fenton works in a drawing office, & HORACE HIT in Cup plans. SOUND.

Goalkeeper Tommy Forgan - whose brilliant displays have done much to keep York - Wembley-bound.

The man ARTHUR in the right place - Bottom, the leading goal-scorer.

Recently married, Sid Storey, a Darfield miner, is including Wembley in his honeymoon plans. So IT'S "GOOD LUCK, YORK CITY"!!
