Carelessness, too, opens the door to danger and death. Careta and the the

Minister of Transport, Mr Boyd Carpenter Sound

This safety drive co-incides with the Golden Jubilee of the Automobile the signed of road trevel. In 1909, the Association Association . how affectively demonstrated themet motor cars could transport troops, when their members conveyed a Guards Battalion from London to Hastings. A history-making event that forms part of the habiles celebrations.

Even "Old Bill (one of the 1914 veterans) was on parade - though times don't seem to have changed at all.

is we look back to those early days of read transport - It is significant that in 1909 (when figures were first recorded) there were were 27,161 road casualties. The alarming 1954 total was 233, 310 . Cherter Mountiner house propier willed and injured on our roads last year. Mora to a mit that connot be dranking to the MES, The responsibility for road safety rests with us all ....
