Sheffield: The ~~eyes~~ <sup>EYES</sup> of the soccer ~~world~~ <sup>FANS</sup> were centred on the spacious Hillsborough ~~stage~~ <sup>GROUND</sup> when doughty cup-fighters, Newcastle United, ~~were cast~~ <sup>became</sup> as the final obstacle - in the 1955 success story of.....

of York, the Giant-killers?

The overture of speculation ends. York are on-stage, kicking off in that centre circle - determined to make Third Division history - by reaching Wembley.

But Newcastle (in their famous black and white stripes) can make history, too, with ten ~~ten~~ Final appearances - and they sweep down in <sup>an</sup> all-out opening attack.

Back come York. With earlier victories over Blackpool and the Spurs, they fear no opposition.

Then, after fourteen minutes, a <sup>Through pass</sup> <sup>by</sup> Davies, ~~through pass~~ puts Keeble clear, .. to round the goalkeeper and tap the ball home.

Undismayed, York come storming back...and, by sheer persistence - top-scorer Arthur Bottom gets the equaliser.

The second half - Newcastle attacking - ~~and~~ <sup>then</sup> force a goal-chance but Forgan <sup>fearless</sup> <sup>STEP</sup> fears in fearless style.

Though it's tough going in the mud - York (the team of several part-timers) are lasting the gruelling pace, and often shaking their rivals with near misses.

The Magpies swoop back - trying in vain for that match-winner - the pass-port to Wembley.

It's all over. A one-all draw - ~~A~~ semi-final replay for York, and that alone makes soccer-history.
