

London: This is the new control centre for civil aviation - located on the fringe of London Airport. The long-range radar scanner enables skilled operators to plot, on the screen, all air traffic operating over Southern England. /S

On the airfield itself, the traffic control tower is situated in the heart of the new Central Terminal - and affords a commanding view of all runways - on the busiest civil airport in Europe. /

Virginia: Introducing the U.S. Navy's first radio-controlled jet fighter - which is launched by booster tanks. These are dropped when the control ship takes over. (2)

The fighter responds perfectly to remote control even to the parachute brake to cut down landing speed. /

Seattle: The U.S. Transport "Bayfield" docks with nineteen survivors of the hapless stratocruiser that crashed in the Pacific. The end of a harrowing experience for the victims - who clung to frail rafts - for hours ~~who clung to frail rafts - for hours~~

Montreal: The world's largest crane goes into action, with lifts of up to 100 tons - helping to erect the most modern oil refinery in Canada. Parting the Iron Curtain, the camera ~~catches a glimpse of the~~ <sup>glimpses the</sup> construction of the new China Road to Tibet. Since the invasion of Tibet, this new highway has slowly spanned the top of the world. /S

Formosa: Under the constant threat of Communist invasion, ~~the~~ volunteers undertake a fifteen-day training programme - to become the Home Guard of the Nationalist Island stronghold. /

Washington: At the White House, President Eisenhower peruses a 1600-year old New Testament. Written in Aramaic (the Mother tongue of Christ) the bible has been put on public exhibition. /

~~These pictures of the Lebanese President being received in audience by His Holiness the Pope, are the first to be filmed in the Vatican for three years.~~

~~After the ceremony, the Pope bestowed his apostolic blessing on the~~

~~multitude in St. Peter's Square.~~

Italy: Heartening sign of the Pope's recovery - are these pictures of the Lebanese President - about to be received in audience by His Holiness in the Vatican. Later, a multitude in St. Peter's Square received the apostolic blessing. /
