

Holland's Royal Visitors-

Amsterdam--- The King of Sweden was accompanied by Queen Juliana when he inspected a Guard of Honour at the beginning of his State Visit, to the Netherlands.

Later, in the company of their hostess and Prince Bernhard, King Gustav and Queen Louise made a welcome appearance on the balcony of the Palace.

While in the capital, the Swedish Monarch paid tribute on behalf of his country to the memory of Holland's ~~Mighty Dead~~ <sup>Fallen</sup>.

U.S. Atom Ship-

New York-- America's peaceful intentions were amplified when President Eisenhower disclosed to the Press the plan for building an ~~atomic~~ atomic-powered merchant ship. (Sound)

Greek Steamer aground-

Sussex-- After a Channel collision in dense fog with ~~the~~ <sup>a</sup> Panamanian vessel, the Greek ship "Germania" lies with a broken back on the rocks at Beachy Head. Fortunately the sea was calm, but in the event of bad weather, causing the crew to abandon ship, a breeches buoy was connected from the cliff-top to the stricken steamer.

The Eastbourne lifeboat brought eighteen of the ~~crew~~ crew of 26 ashore.

Archbishop visits Victoria Falls-

Africa-- ~~The Victoria Falls~~ The Victoria Falls in all their glory--

This was the sight which greeted the Archbishop of Canterbury, Dr ~~St~~ Fisher, during his tour of ~~the continent~~ that great Continent. Like many visitors before him, ~~the~~ the Primate gazed in ~~astonishment~~ wonder at the tumbling waters of these famous ~~rapids~~ <sup>falls</sup>.

~~At the top of the falls, the River Zambesi is about a mile wide, and the depth is much greater.~~

The Falls were discovered by Dr Livingstone in 1855.
