

Pres. Eisenhower

America: World-wide messages of sympathy have flooded the Army Hospital, at Denver, Colorado, after the news that President Eisenhower had been struck down by a sudden heart attack, following a fishing holiday. The latest bulletins are happily reassuring, bringing hope of recovery for the former war leader who has worked so unsparingly, for world peace.

Fire-fighting appliances

Folkstone.

Recent demonstrations ~~round the coast~~ ^{FEATURE} ~~of the fire service~~ ^{FIRE} Manufacturers reveal a new type of "escalator" escape one hundred and twenty feet high.

~~with a lever that can be rotated or raised to a roof top height~~ ^{THE PLATFORM} ~~directly to the height of forty feet~~ ^{RAISED TO A ROOF TOP HEIGHT} ~~And the firemen can~~ ^{enabling the fire fighters to} direct their hoses from aloft, if there's an outbreak in the roof.

New York drama

New York: In black despair Harvey Harding sat on a window ledge contemplating suicide - eleven stories above Manhattan. ~~He~~ ^{HE} ignored all pleas to "think it over". A real-life drama that brings timely help - for while two men suddenly grab him - a fireman drops from above.

Harvey Harding is taken away to hospital and New York returns to normal - the tough city with the big heart...

Model aircraft

Hertfordshire: ~~The rubber band and balsa wood boys~~ ^{BOYS OF ALL AGES} gathered at Radlett Aerodrome for the Tenth All-British Model Aircraft Rally. There were events for duration flying, concours d'Elegance and controlled flight team-racing. But the most exciting moment of the day came when a five c.c. model set up a new world record of 146 miles per hour.
