Rowe Wedding

Middlesex: A new doubles-partner for Rosalind Rowe (one of the famous table-tennis twins) - arriving for her wedding at St. Andrew's, Sudbury. After the service, Rosalind left the church on the arm of her life partner, Dr. Jack Cornett - to be greeted by an archway of table tennis bats...  2

Many famous players attended the wedding - and twin-sister, Diane was the happiest of bridesmaids. /s

N.I.K.E.

Seattle: More pictures of "Nike" - the deadly guided missile batteries which are now forming a ring of defence around every ~~principal~~ <sup>PRINCIPAL</sup> American city.

Seattle (on the vital Pacific seaboard) is <sup>already</sup> guarded by these supersonic missiles which, with their range of twenty miles, can reach and destroy an enemy raider in seconds.

Outside the range of "Nike" the new all-weather interception, with its electronic brain, becomes the Nation's chief defensive weapon.

On fighter patrol, the pilot operates a radar system that locates the enemy and then, by the aid of a steering dot, keeps the plane on course.

Once within range <sup>OF THE UNSEEN ENEMY -</sup> rockets are fired automatically /

Cyprus

Cyprus: With the evacuation of the Suez Canal Zone well under way, British servicemen and their families fly into  <sup>NICOSIA -</sup> which will now become the main base of Middle East Forces. /

On the island, Field Marshal Sir John Harding, the new Governor, continues his security-campaign, visiting a radio-station that has  twice been attacked in recent months. /
