

German Prisoners home

Germany: The prisoners come home - home from Russia after ten or more years of captivity. ^{Long-delayed} freedom brings a floral welcome and ^{affectionate} ~~friendly~~ words. But most prized of all - the return of their self-respect. (2)

~~On the first day of the year 1946, the first batch of eight hundred to be released.~~
This was the first batch of eight hundred to be released.
And this is how they were welcomed-home.../
