

Princess in Dockland

London: A warm-hearted East End welcome awaited Princess Margaret at St. Nicholas and All Hallows Church, Poplar, when she arrived to open a new community centre.

The Princess was wearing a sea-green corduroy coat and shared a happy moment with a young citizen of Dockland.

The Service of Dedication was conducted by the Bishop of Stepney.

Her Royal Highness inspected the building, which combines both a church and community centre and it replaces one destroyed during the war.

Before leaving, the Princess was presented with a statue of St Nicholas.

Soccer

Cardiff: At Ninian Park - Wales gained their first victory over white-shirted England for seventeen years. Their victory plan was based on attack and soon, a two-goal blitz rocked England. Here's Derek Tapscott scoring number one.

Two goals down at half-time - England fought back but their only score was a present from John Charles - who put one in his own net.

Result. Wales Two England one.
