

B.52's join Air Force

California: The U.S. Air Force gets a powerful new recruit, the B.52 bomber. And it's not long before the giant plane, with its six jet engines and 185 foot wing-span, is making its first flight with a complete air-force crew. Scheduled to be the leading light of Strategic Air Command, the B.52 can make a direct flight to any part of the world.

General Peron

Central America: Following Argentine ^{demand} ~~pressures~~ for his expulsion from Paraguay - General ~~Peron~~ ^{PERON}, the deposed Dictator, is warmly welcomed to Panama...

And with ~~the~~ news of the overthrow of his successor in Argentina, (General Lonardi) - the former President gives a first-hand impression to the Press

Selassie

Ethiopia: ~~A~~ Colourful climax to the Silver Jubilee celebrations ~~in~~ in Addis Ababa, ~~with a spectacular parade of the armed services was~~ ^{A PARADE OF THE ARMED SERVICES} reviewed by the Emperor, Haile Selassie.

The Parade was led by war-veterans - many of whom had travelled vast distances to pay homage to the Lion of Judah - the much-loved Ruler of his people through twenty-five difficult years.
