

Record-breaking news from <sup>the U.S.A</sup> ~~London~~ brought untold joy to a Surrey ~~house~~ household - long steeped in the Bluebird tradition...

There, the proud wife of speed-ace Donald Campbell shares with Lady Campbell (the widow of Sir Malcolm) yet another family record achievement. For this ~~exclusive~~ <sup>WITH G-B NEWS</sup> interview, Mrs Campbell (who was wearing Bluebird earrings) was asked how the name "Bluebird" became the famous family mascot. / SOUND

Lady Campbell was then asked <sup>IF</sup> she had felt anxious during the record attempt. / SOUND

"Father was, of course, Sir Malcolm, and here we show him setting up his record of 141 miles per hour - in 1939.

Now, on Lake Mead, Nevada, the son, Donald Campbell has broken his own ~~record with the fastest time ever made by a man on water~~

record with 216 miles per hour. Over a mile a minute faster than his father.

So Mrs Campbell - <sup>how</sup> ~~was~~ does it feel ~~like~~ to be the wife of the fastest man on water? / SOUND.
