Ten goal win for Home Team: Wycombe V Uganda 31st August 1956

High Wycombe: Opening a ten-match tour, the Uganda National Eleven ^(SOME WITHOUT BOOTS) were greeted by Sir Stanley Rous, the F.A. Secretary, a lush-green pitch, seven thousand welcoming fans and tough opponents in Wycombe Wanderers, ~~the~~ Isthmian League Champions.

^{TEST}
AN Ideal soccer ~~conditions~~ for any side - except an African team, used to playing barefooted on bone-hard pitches. So eight of the side wore boots - some for the first time.

The goalkeeper stayed barefooted and finished with an aching back. Yes, the Wanderers slammed in ten goals - (seven in the first half), and try as they ~~did~~ ^{did}, the visitors could never master ~~the~~ ^{the} greasy conditions. Uganda did get one consolation goal, and now they've joined us all in hoping for "drying weather".
