Antiquity city excavations.

Holiday Cruise in the Gallican hills, archeologists have made a major

Greece: A shopping expedition on the Island of Corfu for Crown-Princess Beatrix and her sister, Princess Irene of Holland, during the recent holiday cruise, made by European Royalty, as guests of King Paul and Queen Frederika. ~~dated dust of centuries.~~

Later, the Princesses were joined by their parents, Queen Juliana and Prince Bernhard, in a family gathering - before flying home to Holland.

~~4000 years ago.~~

Canadian Exhibition-

Canada-- Toronto becomes the showpiece of a Nation's progress, as Canadians and many overseas visitors gathered for the 78th National Exhibition. ~~Similar~~ Similar to the British Industries Fair- with an international flavour, eleven nations display many and varied products.

~~...~~ Toronto becomes the mecca of all that's best in North American show business, too. And the famous Mounties (who were formed 82 years ago), staged their ever-popular Musical Ride.

~~Outside...~~ Canada combines ~~business~~ business with pleasure in the National interest.

Rotodyne Plane-

Middlesex- ~~...~~ the helicopter of the future. <sup>WITH SMALL JETS AT THE ROTOR TIPS</sup>

<sup>IS THE</sup> "Fairey Rotodyne". ~~...~~ and here's the prototype nearing completion.

Of revolutionary design, the new machine combines both jet and turbo-prop engines; <sup>IT</sup> is particularly suitable for freight transport with room for three cars. <sup>THE LARGEST AND MOST ADVANCED</sup>

<sup>HELICOPTER OF ITS KIND,</sup> it can also carry 50 passengers on flights <sup>OF</sup> up to 400 miles.
