Melbourne: Olympic progress

Australia: As the athletes of seventy Nations set their sights on Melbourne, the Olympic Village (their home during the Games) nears completion. (2)

~~The swimming stadium construction is now~~ The Swimming Stadium has been built of cantilever design. With no interior supports - it ensures a clear view for all.

~~The~~ Cinders have been specially brought from Britain to ensure a perfect running-track in the Olympic Stadium - soon to stage the great International Festival of Sport.
