### News Flashes-

# Nov 20th. '56.

### Civil Defence Exercise-

Plymouth-- In a full-scale Civil Defence Exercise, the Territorial Army was used, for the first time, in rescue operations- a supporting role they would fill in an emergency.

#### Tankers-

America-- At Beaumont, Texas, giant tankers are taken from their "cocoons", and prepared for active service at sea, following the Middle East crisis, and the blocking of the Suez Canal. ( As long as the canal remains closed, many American tankers will be wanted to bring that much-needed oil to Europe.)

# Pat Smythe-

London -- Fresh from her riding-victory in Sicily, Miss Pat Smythethree times "Sportswoman of the Year", received the C.B.E. from the Queen at Buckingham Palace.

A well-deserved award (

for all the encouragement Pat has given to British Show Jumping.
