

~~MAXSMARK~~ Begum Aga Khan

New York: Arriving at a charity ball, ~~_____~~
~~_____~~ - the Begum Aga Khan, ~~_____~~ IS A LOVELY GUEST
~~_____~~ OF HONOUR. (2)

~~_____~~, A 1957 limousine, was the grand prize of the
lottery that raised funds for Disabled service veterans.

(WEARING A FABULOUS ARRAY OF DIAMONDS)
The Begum drew out the lucky ticket. ~~_____~~
~~_____~~ S

Finally, a dance with Prince Obolensky rounded off a glittering charity
gala...

Wave tester

Hertfordshire: To-day, every industry depends vitally upon its research
establishment. And Here, at St. Albans, the Vickers-Armstrongs' Ship
Model Experiment tank ~~can~~ uses a wavemaker to produce real sea
conditions for ship-building research.

There, Under test, is an eighteen foot scale model ~~_____~~
~~_____~~ In this equivalent of
a full "Indian Ocean gale" the model keeps her decks dry - a pointer to
increased passenger comfort.

Soviet Iron Furnace

In the Soviet Union ~~_____~~
~~_____~~ the
blast furnace ~~_____~~ separates all
the impurities from the ~~_____~~ base.

Over ~~_____~~
~~_____~~ the manufacture of better quality ~~_____~~

GERMANY

The recent discovery of iron-ore deposits makes news in Lower Saxony,
~~Germany~~, with the arrival of a representative European investigating
Committee - to seek ways of increased output.

~~_____~~
~~_____~~

But even in steel-making, tradition dies hard. Here, the ~~old-fashioned~~
old-fashioned rolling method is used: the employees handling the glowing,
snake-like lengths of steel with an assurance born of skill craftsmanship.
AND
