

News flashes (continued)

New Chancellor

One of the popular moves in the Cabinet reshuffle was the appointment of Mr Peter Thorneycroft as Chancellor of the Exchequer.

Already, at the Treasury, the 47 year-old Minister has got down to the ~~tremendous~~ tremendous task of balancing our financial affairs.

Mr Thorneycroft had good grounding for the job during his five years as President of the Board of Trade

~~He was also a member of the Board of Trade for a number of years.~~

The Snark

America: The tremendous strides made in guided-missile research launch the ^{PILOTLESS} "Snark" on a deadly mission with almost limitless range.

Discarding its booster-rockets, the Snark, (America's first inter-continental missile) can carry an atomic warhead, at super-sonic speed, to any given target.

~~This missile has a range of over 3,000 miles.~~ It can land on small spaces with ^{the aid of its skids and} its parachute brake. ~~and skis.~~ ~~It is expected to be ready for service in the near future.~~
