

With the coming of Spring - feminine conversation lightly turns to...
the latest in hats.

Large off-the-face models set the fashion for day-time wear. /S

A sou'wester in white organza - models inspired by 17th century Spanish fishermen.

~~_____~~
The cloche, it seems, is here to stay. Like it? /

And here - black tulle and marguerites hit the right note for Spring -
in this Simone Merman collection. ②

Another cloche: but this time, with a material change. This one is made
from natural cane.. /

For evening wear - ~~_____~~ this white feather ^{number}
~~_____~~ to highlight feminine charm. /

~~_____~~ bamboo straw - for that cocktail party
or dinner date. ②

And if you're still looking for that Easter bonnet - this ~~is~~ trellis
hat will either win you a nest-egg - or get you the bird! /
