

Highlights (continued)

The "Harrier"

FARNBOROUGH:

Stealing the thunder at the ~~Farnborough~~ Air Show is something you can pack up and load into a plane in about sixty seconds.

Arriving at your destination - out it comes - and a couple of minutes after touching down - the "Harrier" folding car is ready to move off - with its crew of four.. ✓

Designed by the team that invented the <sup>air borne troop</sup> ~~war-time~~ folding motor-cycle - the Harrier travels at 70 miles per hour - <sup>- a mobile vehicle in</sup> ~~putting the mobility into~~

<sup>more noise than one!</sup> ~~modern warfare..~~

Italian water sports

Italy: On Lake Como - a mediaeval pageant turns the clock back some 800 years to the time when the City of Como waged bitter war against the armies of Lombardy.

<sup>Following a stirring</sup> ~~arousing fanfare~~ sounded the call to arms - ~~at~~ the traditional "Fair Lady" inspired the Knights to doughty deeds in ~~the~~ age-old sports.

The winners received a banner and two sheep! Let's hope somebody remembered to throw in the towel for the losers.. ✓

Ice Show comedy

In Atlantic City, the "Ice Capades" staged a sparkling dress rehearsal before starting a grand tour of <sup>the U.S.A.</sup> ~~America...~~

Four-legged frolics or canine capers. A hot dog on the cold ice...

There's nothing like getting a close-up of audience reaction

It's one long round of laughs for the clowns.

There's another one off to join the audience... Going Up!

And though that always knocks the fans for six - it gets a cold reception from the other star performers
