Floods-

India- After heavy ~~and~~ ~~\_\_\_\_\_~~ rainfall, the holy river Jumna (on  
~~which~~ the banks of which lies Delhi- the capital ) is in full flood.  
And the all-too familiar heartbreak of moving begins, while emergency  
steps are taken to stem the relentless torrent, after the breaching  
of the dykes.  
Cattle, too, struggle to keep their heads above water, after abnormal  
monsoon rains.
