1

But Sydney was back to normal to greet the Spring. Half-a-million citizens lined the streets for the Waratah Spring Festival Parade.

The Parade, (the biggest and most lavish ever staged) brought visible evidence of the City's progress - ~~and a 1900 steam-driven tram~~ <sup>from the</sup> ~~was a prized exhibit~~ <sup>of the 1880's.</sup>

While the many decorated floats brought the floral rustle of Spring...to Sydney.

Fighter bombers in action

America: The training of combat-crews at Luke Air Force Base, Arizona, brings a ~~awesome~~ demonstration of the "Thunderbolt" in action.

A top-speed fighter-bomber - the Thunderbolt fires ~~and~~ rocket missiles and drops napalm bombs - with deadly accuracy..

Canadian Bridge collapse

2

Canada: These unusual Newsreel pictures show the actual collapse of a section of the giant suspension bridge, that spans the Peace River, in British Columbia...

~~This~~ This 2,200 foot bridge carries the famous Alaska Highway on its way to the Arctic Circle. Army engineers estimate that repairs will take two-and-a-half years..
