Fashions look ahead

Turning its back on the calendar, the fashion world looks ahead.

Still-life in beach-wear - waiting for the caressing touch of summer...

But the rude awakening pulls them back to bitter reality...modelling summer separates, by sports designer Teddy Tinling - on a gloomy Autumn day.

A court occasion. Mother's lost a set may. A doubles combination that completes a matching set of tennis wear.

The dresses tricel-worsted mixture

Here's a new fashion trend in evening wear. A glamorous two-piece in black cotton, embroidered with New York's jewelled sky-line.

Guaranteed to stop any hunsband chasing the bright lights...

If that doesn't keep him at home - try an excursion into outer space...

Anyway, this topical skirt in heavy black cotton repp will the fashion round, new fashion round, new fashion round, new fashion round.
