

Manchester: While the Lord Mayor was waiting for the biggest Christmas Draw of them all, "Ernie" the robot, was ready at Lytham St. Annes to ~~show~~ select 6,995 lucky Premium bonds...

And arriving to put the Wisdom into savings, film star Norman was welcomed by the Lord Mayor - before starting the draw ~~SOUND~~.

That summons by Norman soon had Ernie sorting out the lucky numbers.

While waiting for the first list of winners - Norman tried to pipe up some dreams ~~on bag pipes borrowed from the Dagenham Girl Pipe Band~~ ~~SOUND~~.

But there was Scottish music; The first bond chalked up a lucky 1,000 pound winner in ~~the~~ Angus. No wonder Norman tore up his cloakroom ticket and said "Just my luck!"
