

London University was the setting for an academic occasion, unique in Commonwealth history, when Princess Margaret received her first honorary degree.

~~For~~ the Award of Doctor of Music was conferred by Queen Elizabeth the Queen Mother - the first time a Royal Chancellor has <sup>capped</sup> ~~honoured~~ her own daughter.. (SOUND).

~~In her~~ reply, Princess Margaret (honoured for her musical ability and interest) referred to the unique circumstances. ~~of the award~~ / SOUND.

In North London, Prince Philip confirmed his deep interest in young people's welfare at the Victoria Club, Stamford Hill. Perhaps the Girls' Cooking class found out what made the apple turnover.

Moving on to the Art Class, the Duke (who is ~~the~~ Patron of the ~~Federation~~ Federation of Boys' Clubs) offered amusing comments on modern art...

~~.....~~  
~~.....~~  
Lastly, a glimpse of the best-known activity of this youthful Federation, when there was high praise for the boxers and Royal encouragement for the ~~.....~~ Judo enthusiasts..
