Cameron Highlanders home-

Apr 11th. '58.

~~The~~ ^{The} 12,000-ton troopship "Devonshire" brings home again after three years service overseas, the 1st Battalion ^{The} Queen's Own Cameron Highlanders.

^{And all they} ~~550 of them~~ happy to see Blighty once more- even if it is south of the border.

Proud ^{PARENTS} ~~fathers~~ bring back youngsters, who've never yet seen their ~~Scottish~~ Scottish homeland.

The Regiment has been in Aden for eighteen months, having previously served in Korea. Now they're bound for Dover and the next step after that-- a leave-pass home.
