MR. CHURCHILL COMES HOME.

The 9-30 p.m. arrival at Euston Station of Mr. Churchill, his wife and daughter Mary, back from Canada.

Headed in on all sides by a welcoming crowd, the family Churchill is, (in basic English) - "quite overcome by the signs of pleasure and warm feeling given by the men and women of London on seeing again the man with the long cigar".

One other basic remark - "Welcome home Chief".
