

**THE MAN WHO MISSED THE BOMB.**

Inside Germany. As we go to print, the sensational news breaks of the attempted assassination of Hitler. Here are previously unpublished pictures of the Fuehrer with some of his Junker yes-men who have at last rebelled against war strategy directed on intuitions, and thrown a bomb at the Dictator. The rift between the Generals and Hitler has split the nation into factions - - In this crisis, the Gestapo clashes with the Armed Services of the Reich. Hitler's days are numbered, and Dr. Goebbels has to do some fast thinking, in this life and death struggle of the Nazi party machine now in open conflict with the Military hierarchy.

How the Hitler Gang enjoyed a good funeral.

Whatever happens inside Germany it will not deflect us from our purpose of destroying German militarism. Prussia Junkers or Nazis, they're all the same to us. Let gog bite dog, we're going to defeat Germany the way we plan it.
