BACK TO BLIGHTY.

The Arundel Castle, and the Swedish Mersey Ship
~~DROTNINGHOLM~~ arrive at Liverpool, bringing the first of
the 2,500 British prisoners recently repatriated from German
captivity. A heartfelt welcome awaits them as they come
back home, many after years of absence.

Here cheers greet the Gripshelm, bringing the remainder of the
repatriates.

The soldiers come back singing the song they took overseas
when they went away to war.

Words of welcome from the Adjutant General, Sir Ronald Adam.
