PRINCESS ELIZABETH 2nd SUBALTERN

Taking a driving course at a Training Centre is Princess Elizabeth, Second Subaltern, A.T.S. She has been learning to drive and maintain all types of motor vehicles.

When the Training Centre was visited by the King and Queen and Princess Margaret they found Princess Elizabeth in overalls working on the engine of a Red Cross lorry.

After watching other girls at work, the King returned and jokingly asked the Princess, "Haven't you got it mended yet?"

THE Princess Elizabeth, Honorary 2nd Subaltern A.T.S. is now a competent mechanic, and proud of the fact.
