IN MEMORIAM

Kings and Queens of five Nations pay homage at St. Pauls Cathedral to the memory of Franklin Delano Roosevelt. A Memorial Service at which Britain and leaders of the United Nations mourned the passing of America's great son.

Our Prime Minister and the American Ambassador, Mr. Winant. Two men in that congregation of over two thousand who understood most of all what the World has lost in the death of Mr. Roosevelt.

The late President's matchless gifts of leadership will ~~be~~ grievously be missed in the winning of the peace which he with his close friend strove so vigorously to see realized.
