

FUNERAL OF PRESIDENT ROOSEVELT

The mortal remains of Franklin Delano Roosevelt, President of the United States during the long trial of war, and the best American friend Britain ever had, are borne to the White House. Here the body lies in state.

At the Roosevelt home in Hyde Park, the late President goes to his last resting place in a garden. In the solemn words of the liturgical prayer, "Grant him, O Lord, eternal rest. And let light perpetual shine upon him."

F.D.R's successor President Harry Truman, defines his policy in his first address to Congress as America's new President.
