EXIT THE DUCE

The world will not forget the life and death of Benito Mussolini, the strutting, pompous braggart. He will be remembered as the man who boasted he would make a new Italy and died in an Italian gutter. His gestures and his voice were typical of the man and his treacherous career.

MUSSOLINI'S VOICE

After Mussolini fell, Hitler rescued his Italian lackey. Now, the one-time Duce has been executed and his body spat upon by his countrymen - an example other war criminals will not overlook.
