VICTORY MARCH OF THE 51st

The 51st Highland Division completes the full cycle of a magnificent battle career. From the heroic losing fight at St. Valery in 1940, they have fought their way to this triumphal march through the streets of Bremerhaven.

General Herrecks, Commander of the 30th Corps, takes the salute.

If any division has captured the imagination of the British Empire, it is the glorious 51st Highlanders.
