GRACIE FIELDS IN BRISBANE

A Command aircraft brings Gracie Fields to Brisbane, to begin her Australian concert tour of Service Camps. A welcoming kiss from her Director shows just how matey life in show business can be.

"I want to say that I am very very thrilled to be here. I know I have been coming here actually, myself, for ten years and I can tell you it has been a wonderful journey, and I hope the whole trip and everybody in Australia will like me. I shall do my best, I always did. My mother always told me I had to and that is what I am going to do."
