AQUA FOLLIES CARNIVAL

America's Aqua Follies at Minneapolis. A magnificent array of mermaids. Am I seeing straight or is this the line-up for the 3.30 ? I've had many a horse that should have been under water, but in this race every one's a favourite.

A spectacular, backward two and a half with a half twist. Sid Canal calls this "Bounce me, Daddy, Right to the beard because I bruise so easily".....

Quit the clowning and on with the show. Glamorous Aquaballets in their world famous Water Ballet.

Every one a pin up girl.....and nobody kicks at that.
