

EAT 'EM ALIVE WRESTLING

For the catch-as-catch-can jamboree comes bald-headed board-basher Albert Ben Cheneul for a kill-or-bust tangle with Van Dem Bos. Yeg bash 'em, you gouge 'em, you tie 'em up in knots.

There's no lion and no 'orses 'ead 'andle, but if little Albert doesn't watch out, something or other'll get bitten off. Poor Albert - and even his girl friend's enjoying it. But what a come back. Watch this for a last lap triumph by bald-headed Bertie.

And now for the real big shots. Australian Rex Galle and local boy Louis Leew in a two-fisted tangle.

Australian Rex Galle packs a nice line in knee work - it even shakes the referee.

Don't do that again.

Oh shut up, you'll hurt him.

He's got him down, he's down. Leew wins, and the Paris crowd goes wild on a bit of nice clean fun.
