World's Biggest Plane. ("Marshall Mar")  
Man walking on tail plane to give good impression of the size of the aircraft.  
126 ft long. Wing span: 200 ft  
Interior views include man climbing staircase to second floor, instrument panel & pilots in cockpit operating controls.  
Excellent shot as the giant flying boat takes off.

Sun in close up. ORG 82.7  
Scientists adjust coronagraph, used to make visible the edge of the sun. The sun as seen through the coronagraph - solar upheavals, turbulent flames clouds of incandescent gas.

HILL, DR. CHARLES ✓  
GAIN, DR. JUP. ✓  
~~HADEN GUEST, DR.~~

The State & the Doctor.  
Three doctors speak on the proposed National Health Service Bill.  
C.U. Harley Street sign.  
Very good shot of Harley Street gateway & building of the British Medical Association.  
Dr. Hill & Dr. Gain speak against the bill.
