World's Biggest Plane. ("Marshall Mar")

Man walking on tail plane to give good impression of the size of the aircraft.

120 ft long. Wing span: 200 ft

Interior views include man climbing staircase to second floor, instrument panel & pilots in cockpit operating controls.

Excellent shot as the giant flying boat takes off.

Sun in close up. circ 82.5

Scientists adjust coronagraph, used to make visible the edge of the sun. The sun as seen through the coronagraph - solar upheavals, turbulent flames clouds of incandescent gas.

Varsity Sports at White City: hurdles won by Oxford; long jump (Oxford 3) M.C.U. of J. Morrish the winner. 880 yards is the best race. Excellent pen shot of Gibson (no 4) overtaking Mark (no 3) - another Oxford win.

220 yd low

The State & the Doctor

Three doctors speak on the proposed National Health Service Bill.

C.U. Stanley Street sign. Very good shot of Stanley Street Gateway & building of the British Medical Association.

Dr. Hill & Dr. Gain speak against the bill.

Dr. Haden Guest speaks for

Dr. Gain is chairman of BMA (National Sound)

Dr. Haden Guest is a Labour M.P. for Islington (West)

but in shots are from our own library material.
