Genius in an Asylum: Horace Flinders in a Michigan mental home. (C.V.) The hospital superintendant speaks on the use of music as therapy. (natural sound.) Flinders then plays Chopin's "Fantasy" on the piano. (natural sound.)

April in three cities:-

Geneva: League of Nations Building (exterior & interior). League of Nations meet for last time. Ms. Viscount Cecil. Sir Hartley Shawcross (centre screen), C.V. Viscount Cecil & Paul Boncour sitting at their places in the League Bldg.

Trieste: Italian demonstrators & crowd. Italian & US military police using truncheons to control crowds.
Berlin: German police round up Berlin's food black marketers! Action shots of police hustling traders & bytanders into lanes.

Ministry of Propaganda:

Television's Dress Rehearsal at Alexandra Palace. Scenes in studio, as producer gives instructions to telecameras. The Windmill Girls give a display of tap, and cabaret dancing. (Natural sound.)
