

THE CUP ARRIVES IN DERBY

Yes, Derby was proud of it's cup winning soccer team. When they hit the old home town after their 4th Wembley victory over Charlton, Derby County got an outsize Civic welcome. With a lorry doing duty as a triumphal chariot, a swarming crowd followed on in the city's biggest celebration since Victory night.

Three time losers in previous Cup Finals, the 1946 Derby County boys made no mistake this time. Half Derby turned out to cheer giving the Club its well-earned, biggest-ever crowd.
