FRONT PAGE WOMEN

Latest of the stars to come to London is Simone Simon. She's here to keep a date with Robert Newton in a new British picture. And her first assignment is to see the sights and pick up a bit of local colour.

Coming into full focus now are Nottingham's eight best beauties, and their leg-luscious challengers from Wolverhampton (where the Wolves come from, and no wonder). All girls together, they were still friends after Nottingham were judged the winners. 16 pairs of legs in the Midlands started it, and then the camera-man got going on a big scale with 1500 members of Britain's League of Health and Beauty doing their stuff at Wembley's Empire Pool.

Lady Hamilton (Princess Stack of P.2 fame) watched seventy teams from London and the Provinces go through the smooth rhythmic routine of callisthenics. If you've a few inches here and there you want to put on or take off - here's how to get 'em transferred.

Here's the Health League's system for toning up leg and waist line muscles. A typical exercise planned to brush up on fitness. Balance and poise, suppleness and co-ordination all come in for attention and a lot of it's not as easy as it looks.

Founded in 1930, the Health and Beauty League is scheduled for a new high in popular support.
