"THEY FAITH HATH MADE THEM WHOLE"

These Pathe pictures tell the story of a special Pilgrimage to Lourdes. To speak to you about them, we bring Father Martindale, S.J.

The story of Lourdes is well-known. We believe that the Blessed Virgin appeared there in 1858 to Bernadette Soubirous. Ever since then millions upon millions of Pilgrims have come there literally from all over the world. This month a unique pilgrimage occurred; a hundred thousand ex-prisoners and deportees from Dachau, Buchenwald, and other such camps came to show their gratitude for their deliverance. Holy Communion was given by two hundred Priests who were themselves ex-prisoners.

We ask God to bless all these men; et nos cum prope pia benedicat Virgo Maria.
